How to Prepare for Your Sacred Fire Ceremony Energy Transmission

WATCH LIVE ON: YOUTUBE, FACEBOOK, TWITCH

Be as peaceful and relaxed as you can before the ceremony. It's best if you can be undisturbed during the process as much as possible - avoid phone calls, internet communications, visitors, etc.

BEFORE THE CEREMONY:

- Position yourself so you are comfortable and relaxed, either sitting or lying, while you watch the live streaming broadcast.
- Light a candle or wood fire in a fireplace to be in the presence of a live flame, if it is safe for you to do so.
- If you have a power object or objects, collect them to keep them with you.

DURING THE CEREMONY

- When the fire ceremony starts, begin by looking into the fire and silently saying a prayer of thanks to your mom and dad, and the Divine Mother and Divine Father for the blessings flowing in your life. Think on what you want and need in your life and what you would like to be free of and/or to receive.
- With an open heart, join in chanting the mantras (if you know them), chant the Sky Mantra, or just listen peacefully experiencing the vibrations.
- If the candle or fire you lit goes out during the ceremony, simply light another.
- At the end of the fire ceremony, give thanks to the Divine for the blessings you received. When you get up, drink some water and if you can rest for a while, be peaceful, or sleep.

IF YOU CANNOT WATCH LIVE:

- At any point while the fire ceremony is happening pause for a moment and quietly turn your attention to connect with the fire at the Divine Mother Center. Think on your prayers, your desires, ask internally for what you need, then say a prayer of thanks.
- You, and your loved ones, will receive the blessing energy transmission wherever you are, even if you're not able to watch live.

We wish you every happiness in the deepening of your relationship with the Divine Mother.

Let us go to the Divine Mother now, opening our hearts, knowing that we are singing Her praises, that the mantra is Her. The fire is Her. The wind is Her. The prayers are Her. We are Her, and the results are Her. When we recognize this, then we have everything. Jai Ma!
