Give thanks, give love, learn to be.
Sweet soul what are you showing to me?

We are all the Mother
We are all the Father
So open to love one another.

Pray thanks, love self, learn to see.
Sweet soul please show me what you want me to be?

We are all the Mother,
We are all the Father.
So know that we need one another

Say thanks, be love, soul fly free
Sweet soul please show me the Mother in me.

We are all the Mother,
We are all the Father,
So our hearts can heal one another

So our hearts can heal one another

Plea to the Mother

We are billion year old star light,
left out here to roam.
We are worn and weary from the fight,
to find our way home.

How many lifetimes of tears,
must we toil and spin?
Before our hearts let go of fears,
To hold your love again?

Please Mother, I am calling
Please Mother, hear my plea
Please Mother, shine your light on me
and help me to be free

Looking for love in wrong places.
Now broken and alone.
I turn away from the other faces.
To look behind my own.

You are there everywhere.
Your love should be plain to see.
When I am thinking you're not there,
The blindness is in me.

Please Mother I am calling
Please Mother hear my plea
Please Mother shine your light on me
So that I can see

I try to be what you want of me,
Loving, and true.
In silence my heart seeks to be,
All at one with You.

My heart must rise above
Not to feel alone
I'll open up to feel your love
to find my way home

Please Mother, I am calling
Oh Mother, don't make me roam
Please mother shine your light on me
to show the way home

Mother, Mother, Mother, Mother
I need your love to show the way home
