Driving Directions from Laytonville Going North on 101:

Going North past Laytonville on Highway 101, you'll drive about 10 minutes to Bell Springs Road. Look for a white house on the right hand side of the road and the street marker sign "Bell Springs Road" on your right. Turn right on to Bell Springs Road, traveling up the mountain on a dirt road. You will follow the road up the mountain for about 4 miles.

At beginning of Bell Springs Road there is a crossway a few minutes into the drive. On the left is a fork to private houses that are being sold. Go past that fork and keep going straight on Bell Springs Road. (see photo)

Farther up Bell Springs you will come to a 5-crossway and stay on the main road.
(see photo)

The down slope of the mountain starts on your right hand side of the road. After you pass through the next dense forest area you will have a beautiful view of far mountains and can see a little bit of the ocean on the horizon. The downslope of the road is now on your left side. The next photo shows the view to the ocean. Keep on and follow the road.

You are getting close to our driveway when you pass a gravel pit with benches for our local Farmers Market on your right. (see photo)

After the gravel pit you **take a right turn off Bell Springs Road** and will see our street number signs “60991”. Please follow these road signs.

First turn off Bell Springs Road view.

You will come to where the road forks. Turn **LEFT** at the fork coming up towards that old brown house. (Previously you would have turned right here but that entrance doesn't exist anymore).

Follow the left pointing **green** sign with **60991**. It will lead you through our new entry road to the house. (Next picture shows that fork where you turn LEFT).

Please drive very slow and respectfully (no dusting). Our driveway is 1 mile long and will take about 10 minutes from this point until you arrive.

Once you get to this sign you are almost here.

Please turn to the right here and find the way to the parking lot. WELCOME!
